## **PROFILE**

Registered Architect in the Commonwealth of Massachusetts continuously gaining experience in all phases of design, production, and construction for architectural projects that relate to the surrounding urban fabric and provide environmentally responsible solutions to complex pragmatic issues.

## **EDUCATION**

Master of Architecture • University of Cincinnati • 2003

Focus in Urban Design and Technology, DAAP Student Ambassador, Teaching Assistant for Freshman Digital Representation

Bachelor of Science in Architecture • University of Cincinnati • 2001

Dean's List, Cincinnati Scholarship Competition Participant, DAAP Student Ambassador

Study Abroad • Fachhochschule Potsdam, Germany • Summer 2000

Design studio, history, and technology, taught by German and American professors

## **EXPERIENCE**

Chan Krieger Sieniewicz • Cambridge MA • August 2003 - Present • Project Designer / Architect

Lead the schematic design effort for a 160 unit graduate housing building at Harvard University under direction of the design principal; assisted with construction documents for a 100 unit residential development in Andover MA; served as the Envelope and Systems job captain from schematic design through construction administration for the Shapiro Cardiovascular Center at Brigham and Women's Hospital in Boston; served as project manager from design development through construction administration for a Post Anesthesia Care Unit at Massachusetts General Hospital; was the job captain during design development for an art building at Suffolk University in Boston; and was a construction administration project architect for the Building for the 3rd Century at Massachusetts General Hospital.

Chan Krieger & Associates • Cambridge MA • Spring and Summer 2002 • Architecture Co-op Student

Performed various design tasks on urban design and architectural projects for a medium sized design firm. Projects included construction documents for a 31,500 s.f. university field house, a conceptual scheme for a residential area of Shanghai, and an urban design study for a major axis of Washington DC.

CORE Group, pc • Washington DC • Winter and Summer 2001 • Architecture Co-op Student

Worked on all phases of projects, from conceptual design through construction administration, for a design-oriented firm that focuses on interior projects for retail, office, and restaurant establishments. Assisted in all phases of a retail rollout across multiple states for a national office supply chain.

Childress & Cunningham, Inc • Cincinnati OH • Spring and Fall 1999 • Architecture Co-op Student

Participated in design development, creation of design documents and construction documents, and site development for retail, residential, and church projects. Involved in creating marketing brochures, project photography, light construction, and construction management.
